

Presentation

Launched in 2004, the JPO Alumni Association (JAA) comprises 873 members as of mid-April 2006 and is viewed as a key contribution to the development of a cross-generational JPO community spirit.

For more information on the JAA, please visit our website: www.jposc.org / Alumni or contact the UNDP JPO Service Centre (focal point: jean-luc.marcelin@undp.org).

The UNDP JPO Service Centre has decided to launch a new initiative with a **Yearly JAA Members Directory**. The main objective is to produce a yearly snapshot of the composition of the JAA, from which key statistics and trends can be extracted.

The Yearly Directory is also meant to complement the online JAA Directory (www.jposc.org / Alumni / JAA Directory).

We trust that the introduction of this new tool will strengthen the visibility of the JAA and further develop its activities. It will also allow the JPO Service Centre to refine its response to donor's follow-up requests and to support career development of current JPOs.

The UNDP JPO Service Centre would like to take this opportunity to thank the JAA Members for their continuous interest in the Alumni initiative and their contribution to the current document.
